Dear Artists,

You are cordially invited to participate in the **Second Annual** Artists' Gathering at The Apple Works on Saturday August 28th from 10am to 5pm and Sunday August 29th from 12 noon to 5pm. Interest and attendance exceeded our expectations for our first year and we look forward to continuing its growth. All artists participating had a very positive experience and expressed desire to attend again. Luke Buck, Earl and Bonita Snellenberger, members of Brown County Artisans and many other artists working in various mediums combined their talents to make a great event.

Each artist will be given an area in our woodland garden overlooking our captivating pond and waterfall (see our website), or one of a limited number of locations on our porch. Each artist is responsible for his own tent, table and display materials. Although not required, artists are encouraged to demonstrate their skills as they choose; plein air artists may set up and paint a vista of their choice while others may indulge in their favorite medium and subject matter of their preference.

To defray some of the costs of advertising and setup, the fee for this 2 day event is \$50; we highly encourage two-day participation.

Apple wood smoked barbecue pork and brats will be available and live music will be provided for your customers throughout the event. Mallow Run Winery will be offering a tasting of their wines as well, all in the name of LOCAL.

Invitations are being extended through the following organizations:
