

Every FAI affiliated National Airsport Control organization may enter a team which may consist of four individual competitors or four pairs of competitors for each category as a maximum provided that the fourth competitor is/are junior(s), one team manager and one assistant team manager. The individual World Champions in 2008 are also invited to participate. Junior champions being too old to defend their title may compete as seniors even if they are not members of their national senior team according to paragraph B.3.4 (Sporting Code, Section 4A, Volume ABR). Supporters are also kindly invited.

## 23-31 of July, 2010 – Gyula, Hungary

The flying sites are located between the towns GYULA and BÉKÉSCSABA at the Regional Airport of BÉKÉSCSABA. There are concrete circles available for the classes of F2A and F2C, where the 2009 Carpathia World Cup event was held. The F2B and F2D contest will be held on grass covered field at the same airfield. Official practice concrete area is available for the F2C class at a parking place with well painted circles and safety fences, 5 km from the venue (access takes 5 minutes on highway). Two square km well trimmed grass covered practice area will be available for F2B and F2D at the airport. F2A training will be on the contest site.

The prevailed character of weather at the end of July is dry continental, with average daily temperature of 24°C.

The FAI Sporting Code valid for 2010 will be applied with all applicable amendments.

Each competitor, combat pitman, team manager and assistant TM must possess FAI Sporting License valid for 2010.

The official languages are English and Hungarian.

On behalf of and in cooperation with the Hungarian Association of Modellers the organizing body is the *BumacoFly AeroClub, Gyula*.
